

DREAM LADDER

Choosing a goal is half the challenge; identifying the steps you need to take to achieve it is the other half.

1. Write an important goal you have in the large oval
2. Write the first step on the lowest rung of the ladder and work your way up closer to the goal. There can be five or fewer steps.

Remember to be specific and measurable with your goals and steps!

Ladder to a Professional Goal

Ladder to a Personal Goal
